

East Petersburg Rain Garden Spring Planting and Maintenance Day

You can help your local Watershed!

On June 1st 2019, as part of Lancaster Water Week, East Petersburg Borough and the Little Conestoga Watershed Alliance are hosting a spring planting and maintenance day at the Rain Garden located at 2899 Graystone Road, East Petersburg, PA, 17520. Volunteers are needed for planting, maintaining existing rain garden areas, and mulching. A link to sign up is available on the East Petersburg Borough Website or on the Lancaster water week website under events.

June 1st, 2019 10:00 am-12:00pm (noon)

Nitrate Plant Rain Garden, 2899 Graystone Road, East Petersburg
